※Be sure to put your garbage out in front of your residence for collection **by 8:30 a.m.** on the designated day.
 ※Please sort your garbage before setting it out for collection. Recycle as much as you can.
 ※The Village Office only collects garbage from ordinary households.

Garbage is not collected while a typhoon warning is in effect. Please put out your garbage on the next designated day.

Burnable garbage

Twice a week

Day

- Put garbage in the designated Yomitan bag (marked with company advertisement) and place out for collection. (You can get from local grocery store or convenience store)
- Return food trays to the supermarket or other place of purchase.
- Yard waste may be disposed of at the Tree & Plant Recycling Center (Final Disposal Site: Gima). (No designated bag is necessary.) (See page 4)

Drain water off before throwing away

Kitchen (food) waste

- As much as possible, make compost out of food waste.

- If dogs, cats, crows or other animals disrupt your garbage, please place your bags in a cage, garbage can, or use a net to keep animals away.

If you can reduce the amount of burnable garbage, then you will use fewer bags.

Cinders 5 cm or smaller

Leather products, sports shoes, etc.

Scrap lumber

Heavily stained or torn clothing

If cinders are 5 cm or thicker, please do not dispose of them with burnable garbage.

Plastics, vinyls, etc.

Shampoo bottles

Wastepaper

Shells

Cassettes, video tapes, CDs

Disposable diapers

Non-burnable garbage

Once a week

Day

- Please prepare a container (bucket, plastic container or drum) put garbage in it, and take it out.
- Do not include bottles. Bottles are recyclable.
- Oversized waste which is larger than 30 cm.

Aluminum cans and metals are recyclable.

Place spray cans, dry-cell batteries, and mercury thermometers in a transparent plastic bag.

Metals, etc.

Umbrella

Crockery, dishes, etc.

Metal clothes hangers

Glass, etc.

Small appliances

Tacks, nails, etc.

Metal caps

Put garbage in a container and place out for pick up.

Harmful waste ②

※Clear bag
Contents are visible.

Dry-cell batteries, mercury thermometers, etc.

Fluorescent lamps, light bulbs, etc.

Harmful waste

- Put in a separate container from non-burnable garbage and place out for pick up.

Harmful waste ①

※Put in a separate container from non-burnable garbage and place out for pick up.

Recyclables

Please do not place used paper out on rainy days, but on the next collection day.

Day

Day

PET bottles

- Please remove PET bottle caps and labels before placing out for collection.

- Remove cap
- Wash out bottle

Put in a (clear) bag and place out for collection

- PET bottle caps can be disposed of with burnable garbage or taken to a recycle cooperation shop (see page 5)

Recycleable PET bottles display this symbol on the label, bottom, etc.

Bottles

- For bottles, remove the cap, wash out, dry, and place out for collection.
- Sake, beer and other such bottles can be reused, so be sure to return them to the shop or put them out for group collection (see page 5).

- Remove cap
- Wash out bottle

Put in container

- Metal and aluminum caps are non-burnable garbage
- Plastic and other caps are burnable garbage

Used paper

- Separate used paper into the following four types for collection.

- Cardboard
- Magazines and books (incl. pamphlets)
- Newspapers (flyers, copy paper, wrapping paper, snack boxes, and items with the Paper Recycle Symbol)

- Paper cartons (milk cartons and other items with this symbol)

How to dispose of

- Tie each type of paper together with string (use paper twine if possible) and place out for collection.
- Wash, dry and cut open paper cartons before putting them out for collection.

PLEASE

- Remove any plastic, cellophane, metal or other items from used paper before putting out for collection.
- If wet, the paper cannot be recycled, so please do not place used paper out on rainy days.

Don't mix with Bottles

Oversized waste

Application Required 3 times a week

Mon • Tue • Thu Day

Call Yomitan Kankyo Mon~Fri (Closed holidays) 8:30~12:00 & 13:00~17:00 ☎: 958-3103 Fax: 958-3103

How to dispose oversized waste

- After purchasing a ¥300 prepaid ticket at the supermarket etc for each oversized waste item or bundle of waste items at a supermarket or other establishment, please call Yomitan Kankyo at 958-3103 to arrange for the item or items to be collected.
- If you wish to take the items directly to the disposal site yourself, see page 4 for instructions.
- When you place oversized waste out for collection, be sure to place it in a spot where it does not inconvenience to others.

(Prepaid ticket)

Oversized waste: household appliances, furniture, etc. 30 cm and larger

[Standard for 1 item or bundle]

1 item is defined as an article that is 30 cm or larger along one side.
1 bundle is defined as no larger than 30 cm in diameter or 1 meter long and weighs less than 10 kg.

Length (bundle) Diameter of less than 30cm

※See page 6 for exceptions, which are listed in the "Household Waste Quick Reference Chart."

Self-Disposal

Yard and Garden waste

Location Tree & Plant Recycling Center
(Gima, Yomitan Village ※Map on reverse side.)

Times 8:30~12:00 & 13:00~17:00
Waste may be dropped off every day,
including holidays with the exception of New Year's Day.

Unacceptable items

- Scrap wood, processed wood
- Wood with high water content, e.g. banana, palm, dragon fruit and other such trees
- Trees or plants mixed with rocks, waste or soil
- Trees more than 30 cm in diameter

Precautions

- Drop-offs are not accepted of trees and plants pruned or cut down by gardening businesses.
- When dropping off waste, you are required to present your driver's license.

● Waste must be sorted as instructed before delivery.
(If a violation is found, you may be required to retrieve the waste dropped off.)

Oversized Household Waste, etc.

※These instructions apply only to situations where a person must drop off oversized items himself.
(Ex. Household moves or waste loads exceeding 100 kg)

● Please receive a permit from the Yomitan Village Office Living Environment Section (open weekdays). (Permits are valid for one day.)

Location Environment Beautification Center Tel: 982-8221 (Kadena Town)
※Map on reverse side.

Times 8:30~12:00 13:00~17:00

Please follow the rules

How to Dispose of the Five Major Household Appliances

※Home Appliance Recycling Act

- Televisions ● Washing machines ● Air conditioners
- Clothes dryers ● Refrigerators (freezers)

When replacing an appliance

Items that retailers are obligated to collect → Pay the recycling fee → Retailer collects and recycles item

When not replacing an appliance

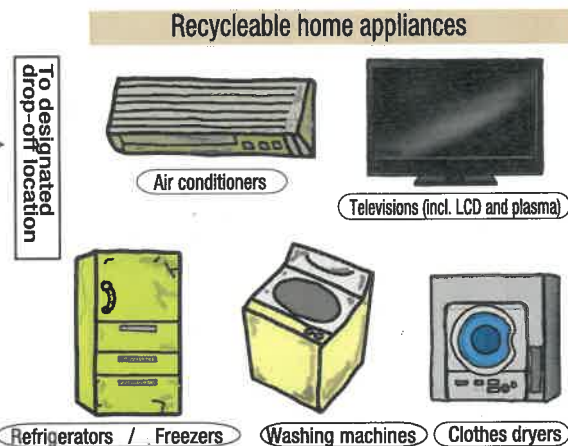

At a post office, specify the appliance manufacturer and purchase a home appliance recycling coupon. Then dispose the item as oversized waste.

※Collection fee: ¥1,500 per load (5 prepaid tickets are necessary)

If you drop off the items yourself at the designated site (Takunan-shoji Co., Ltd, Tel: 934-8010), this fee is waived.

※Please do not put the home appliance recycling coupon on the item, but give it to the clerk.

Association for Electric Home Appliances (☎: 0120-319-640)

The charge for a home appliance recycling coupon : may vary depending on the manufacturer

Televisions (incl. LCD and plasma)	Refrigerators (freezers)	Washing machines	Clothes dryers	Air conditioners
(Small) 15 in. or smaller ¥1,785 (incl tax)~	(Small) 170 liters or smaller ¥3,780 (incl tax)~	¥2,520 (incl tax)~	¥2,520 (incl tax)~	¥2,625 (incl tax)~
(Large) 16 in. or larger ¥2,835 (incl tax)~	(Large) 171 liters or larger ¥4,830 (incl tax)~			

Recycling Home Computers

Since October 2013, manufacturers are obligated under the Act for Promotion of Effective Utilization of Resources to collect and recycle old computers no longer used.

※Computers without a recycle symbol must be recycled at the owner's expense.

● Standard computer peripherals (mouse, keyboard, speakers, cables) provided with the computer when purchased are also collected.
Manuals, CD-ROMs and floppy disks are not collected.

● The Act does not cover printers and other computer peripherals, word processors, or personal digital assistants (PDA).

Recyclable devices

Disposal method

Recycling requests are presented directly to the manufacturer. Please see the Japan Electronics and Information Technology Industries Association (JEITA) (<http://www.pc3r.jp>) website for manufacturers' phone numbers and contact information.

※ PC3R Promotion Association [search](#) (☎: 03-5282-7685)

● Ink cartridges (for home computing)

Ink cartridges may be dropped off at the Yomitan Post Office. Inquiries: ☎ 958-3161
